VCA Parkway Animal Hospital hopes to make your pet's visit with us as comfortable as possible. Our canine facilities include raised floor grates to keep your pet warm and dry. Most guests sleep on elevated beds with blankets. A comfortable temperature is controlled by thermostats in each room. Your pet will also be stimulated during their stay with us. Background music is played indoors during daylight hours. If you are boarding multiple pets, we will permit sibling exercise periods (with your consent). Additional services are available to make your pet's stay more enjoyable. **Please see below** for details.

**Walk & Exercise**

Our guests are given 3 walk/exercise periods per day. You may elect additional **Play or Walk Periods** (typically 15 minutes off-lead/on lead) *Fee \$7*.

Extra Play Period	YES	NO	frequency? _____
Extra walks	YES	NO	frequency? _____

**Personal Items:** While we invite you to leave any of your pet's belongings during their stay, please recognize VCA Parkway Animal Hospital will not guarantee that you will receive them back in the same condition in which they arrived.

Are you leaving any of your pet's belongings?      YES      NO

If so, please describe each item: \_\_\_\_\_  
\_\_\_\_\_

**Exit Bath** for your pet prior to going home: *Note: these services require a later pick-up time to allow for drying and brushing.* This bath includes air dry, light brush out, and a fragrant coat spray. (No AG, nails, or teeth brushing.)

Elect Exit Bath: YES      NO      \*\*\*Discharge typically 3pm or will call when ready.\*\*\*

**Special Requests**

If your pet needs special care, we can discuss specific requests at or prior to check-in. Our on-site hospital and medical staff can sustain treatment for them while you are away. If after-hours medical care is required, transportation to & from our emergency clinic is available.
